Sri Bir Singh,

ELECTION PETITION No. 314 of 1962

Sri Nardev—*Petitioner*.Sri Joti Saroop and 2 others—*Respondents*.

## JUDGMENT

This is an election petition under Section 80 read with S. 81 of the Representation of People Act, 1951 (hereinafter referred to as the Act).

According to the petitioner, he along with respondents 1 to 3 contested the last General Elections from 76-Hathras Parliamentary Constituency on 21st, 23rd and 25th February, 1962. The petitioner was a candidate of the Congress Party with the symbol of 'two bullocks with yoke on'. Respondent No. 1 was a candidate of the Republican Party with the symbol of 'elephant'; respondent No. 2 was a candidate of the Jan Sangh with the symbol of a 'deepak' and respondent No. 3 was an independent candidate with the symbol of a 'flower'. The petitioner obtained 83,514 votes; respondent No. 1 obtained 86,163 votes; respondent No. 2 obtained 41,214 votes and respondent No. 3 obtained 31,023 votes. On March 1, 1962, respondent No. 1 was declared as duly elected.

Before the election started, respondent No. 1 formed an election committee consisting of Choudhry Behari Lal, Sukhram and others, residents of Hathras, to organize his election campaign. This committee worked continuously under the direction of respondent No. 1. All hand-bills, pamphlets etc. were issued by the said committee in consultation with and approval of respondent No. 1. In order to procure votes of Muslims and Jatavs of villages Mithai, Papri, Nahroi, Kunwarpur, Nagla Bans, Chandpa and others, a leaflet under the headline 'Chetawni' printed in Narain Press Hathras, under the signature of Bedram Neta and Lala Ram Pippal was widely distributed by respondent No. 1 himself, his agents and workers, Bedram, Lala Ram and others, on 21st February 1962, when Sri B. P. Maurya, Bedram Kardam, Dorilal and respondent No. 1 made inflammatory speeches in villages Mithai, Bisana and Kunwarpur, calling upon Muslim and Jatav communities to unite against Brahmans and caste Hindus and to vote for respondent No. 1. The respondent and his agents exhorted these two communities on the ground that the soul of Dr. Ambedkar would be hurt if they did not vote for respondent No. 1. Rank communal slogans like 'Jatav Muslim bhai bhai; Hindu qaum kahan se aai' were raised in the meetings aforesaid. The petitioner was accused of believing in casteless and class-less society. The result was that illiterate and simple Muslim and Jatav residents of the aforesaid villages succumbed to these fiery speeches, and thus the result of the election was materially affected.

The residents of villages Nagla Lala, Nagla Nai, Balapatti and Khonda had been agitating to acquire a shorter route for their cremation ground and for acquiring the use of a well situate near the said cremation ground belonging to the zamindar. The respondent No. 1 took advantage of the said agitation. On 28th January, 1962, respondent No. 1 along with his father Ghurey Lal, Bedram Kardam and Noor Mohammad issued a pamphlet promising to acquire the well and the Raste to the cremation ground at his own expense, which allurements was extended in order to secure votes of that area. They also held there on that date a meeting wherein respondent No. 1 and his father orally extended the allurements aforesaid to the villagers of that area. On account of this allurements, respondent No. 1 procured a large number of votes which would have been otherwise cast in favour of the petitioner. In furtherance of his election campaign, to procure votes on communal basis, respondent No. 1 got a secret bulletin circulated through a committee constituted to conduct his election campaign, whereby the workers, and agents were directed to make use of hired vehicles to carry voters, particularly female voters to the various polling stations. They were also instructed to treat the voters to sumptuous tea and food before they left for the polling booths. Effect was given to the scheme, on the day of polling. Respondent No. 1 and his agents carried a number of voters to polling booths in trucks Nos. UPR 9526 and UPR 9419 and motor cars Nos. UPB 886 and UPB 1535 to polling booths, viz. Katelia Technical College, Barahseni College, Saraswati Bidyalay, Ram Chander Mills, Lehra, Mithai, Bisana and others. Thus, respondent No. 1 resorted to corrupt practices which materially affected the result of the election.

Sri Malkhan Singh was one of the contesting candidates for Vidhan Sabha seat from Sikandra Rao Constituency. He, however, died after filing his nomination papers. Consequently the Election Commission should have invited fresh nominations, but no such nominations were invited, with the result that the Sikandra Rao Constituency remained unrepresented so far as the Congress candidate was concerned, thereby the petitioner's election work received a severe set-back. There was a clear contravention of Section 52 of the Act and Rules by the Election Commission, which materially affected the result of the petitioner's election. The respondent No. 1 submitted a wrong return of expenses. He failed to file receipts and vouchers for all the expenses. Respondent No. 1, therefore, stands debarred. The respondent No. 1 is a converted Buddhist and not a Jatav, and was, therefore, disqualified to contest the election as a scheduled caste member.

The counting of votes was not in conformity with the provisions of the Act and Rules framed thereunder. Most of the votes of the petitioner were wrongly rejected. This materially affected the result of the petitioner's election.

The petitioner, therefore, prays that the election of respondent No. 1 be declared void, that the petitioner be declared as duly elected member of the Lok Sabha from 76-Hathras Parliamentary Constituency and that respondent No. 1 be disqualified for six years for having committed corrupt practices under Section 123 of the Act.

The petition is contested by respondent No. 1 alone. It proceeds *ex parte* against respondents Nos. 2 and 3.

Respondent No. 1 contends that the petitioner has no cause of action or right to file this petition which is vague, ambiguous and discloses no cause of action. The respondent No. 1 never formed any election committee consisting of the persons named in Para. 9 of the petition. These persons are strong partisans of the petitioner, who has utilized their services for fabricating evidence against respondent No. 1. Respondent No. 1 or his agents or Pairokars never appealed to any voter or elector on communal lines. The pamphlet 'Chetawni' is an utter concoction set up by the petitioner to further his own ends. No meeting was possible on 21st February 1962 as it was a day of poll in Gangiri Constituency, where respondent No. 1 and his workers remained busy throughout the day. No meeting was addressed by respondent No. 1 or by Sri B. P. Maurya, Bedram Kardam or Dori Lal. No slogan as alleged by the petitioner was raised by or on behalf of respondent No. 1 in any meeting. No secret meeting was ever organized in Muslim Mohallas or in any other Mohalla. The pamphlet referred to in Annexure B is also a concoction. It was never published or distributed by or on behalf of respondent No. 1. No offer to acquire any land or construct any well or a road to the cremation ground was ever made by or on behalf of respondent No. 1. No circular was ever issued by or on behalf of respondent No. 1. No direction was ever given by or on behalf of respondent No. 1 to bring voters in trucks or in vehicle or to entertain them on the date of poll. No voter was brought in any vehicle or conveyance by or on behalf of respondent No. 1 on the day of poll. No voter was entertained to tea by or on behalf of respondent No. 1. The alleged secret circular is a fabrication. The list of trucks and cars given in Annexure E is fictitious and false.

Sri Malkhan Singh was not a contesting candidate for Vidhan Sabha seat from Sikandra Rao. He died after filing his nomination paper but before the date of scrutiny. In these circumstances, it would have been illegal for the Election Commission to invite fresh nominations. Respondent No. 1 never left the Hindu fold and was never converted to Buddhism. He was fully competent to contest the election as a scheduled caste candidate. The counting of votes was quite in conformity with the provisions of the Act and Rules. Not a single vote of the petitioner was wrongly rejected. The petitioner's allegation about the rejection of votes is vague and ambiguous. On the contrary, a number of votes of the respondent No. 1 were wrongly rejected. These votes should have been counted as valid. The respondent No. 1 has committed no corrupt practice. The petitioner's plea of corrupt practice is illegal and untenable for want of necessary particulars under Section 83 of the Act. The petition is also bad for non-joinder of the Election Commission and the Returning Officer. It has not been verified according to law. The petitioner also failed to make the deposit in favour of the proper authority. On this ground too, the petition is liable to be rejected. The petitioner is, therefore, entitled to no relief.

My learned predecessor-in-office examined the parties or their counsel under Or. X, C.P.C. and then framed the following issues:

1. Was there an appeal to voters (Muslims and Jatavs) by respondent 1 himself and his agents, pairokars and workers and were communal feelings aroused by them and leaders of the Republican Party as detailed in Schedule I attached to the petition on such a high pitch that voters mostly illiterate Jatavs failed to think freely and act in the matter of voting independently? If so, its effect?
2. Did respondent 1 himself and his agents mentioned in Para. 9 of the petition get printed a pamphlet with the headline 'Chetawani' comprising Annexure A containing false statements of fact and deliberately made and got written by respondent No. 1 knowing full well that those statements were false and were made to injure the election of the petitioner, and distributed the same for the three meetings for February 21, 1962 in villages Mithai and others mentioned in Para. 13 of the petition? If so, its effect?
3. Did respondent 1 exercise undue influence and arouse communal hatred among the voters in the three meetings mentioned in Schedule I attached to the petition? If so, its effect?
4. Did respondent No. 1, his father Sri Ghurey Lal, Sri Bedram Kardam, President Tahsil Republican Party, and Sri Noor Mohammad on January 27, 1962, issue a pamphlet (Annexure B) containing promise by respondent No. 1 and his father Sri Ghurey Lal to acquire the well and way to cremation ground to Nagla Lala, Nagla Nai and Baghichi Rameshwar at their own expense as a gratification and bribe to secure votes of those localities? If so, its effect?
5. Did respondent 1 make deliberately false statements concerning the petitioner in relation to his candidature as mentioned in the pamphlet (Annexure B) in the manner explained during oral pleadings within the meaning of Section 123(4) of the R.P. Act? If so, its effect?
6. Did respondent 1 issue a secret circular (Annexure C) to his agents mentioned in Para. 9 of the petition directing them to bring voters, especially ladies, in trucks, motor cars and ekkas hired by him, and further to entertain the voters to sumptuous tea and food before their leaving for voting, and were any, and if so how many, voters actually carried to the polling stations on trucks, motor cars and ekkas by respondent No. 1 and his agents named in Para. 9 of the petition? If so, its effect?
7. Was Th. Malkhan Singh a contesting candidate for Vidhan Sabha Seat for Sikandra Rao in the last Elections and has the Returning Officer contravened the provisions of Section 52 of the Act in this connection?
8. Has respondent 1 submitted a wrong return of expenses as alleged? Has it materially affected the result of the election?
9. Did respondent 1 become a Buddhist in 1956 as alleged? If so, its effect?
10. Have any, and if so how many, votes of the petitioner been wrongly rejected at the time of counting, and has that materially affected the result of the election?
11. Are the Election Commission and the Returning Officer necessary parties to this petition? If so, what is the effect of their non-joinder?
12. Is the petitioner entitled to get the election of respondent 1 declared void and himself declared elected as member of the Lok Sabha from 76-Hathras Parliamentary Constituency?
13. Have any, if so how many, votes of respondent 1 been wrongly rejected at the time of counting? If so, its effect?

#### FINDINGS

Issue No. 2.—As this is one of the most important issues, I propose to take it up first.

The respondent No. 1's learned counsel raises a preliminary objection. He contends that the issues in these proceedings have not been properly framed, that my predecessor-in-office went wrong in providing the material facts and particulars by examining the petitioner under Order X Rule 2 C.P.C. in contravention

of the provisions of Section 83 of the R.P. Act. I do not find much force in this objection. The issues framed in these proceedings may be a bit unwieldy but are not ambiguous. No party is left in doubt about the points which they have to meet. The petitioner was examined with a view to clarifying the pleadings and not with a view to supplying material facts. Section 83 of the R.P. Act provides that an election petition shall contain a concise statement of the material facts and that it shall set forth full particulars of any corrupt practice that the petitioner alleges, including the names of parties to such corrupt practices and the date and place of the commission of each such practice. All these material facts and particulars are given in the present petition. It is well to bear in mind that the petitioner is not expected to give the particulars of the evidence which he proposes to lead in order to prove the points at issue. I am not prepared to accept the respondent No. 1's contention that the petitioner should have also mentioned the place, time and date on which the leaflet 'Chetawni' Ex. 15 was prepared. The names of the parties connected with Ex. 15 are mentioned in the petition and elaborated by my learned predecessor-in-office by examining the petitioner under Or. X Rule 2 C.P.C. whereby it was made clear that the agents, Pairokars, workers and organizers mentioned in Paras. 13 and 14 of the petition meant the persons named in Para. 9 of the petition. I may add that respondent No. 1 per his application, dated 12th September 1962, sought further particulars about the persons mentioned in Para. 9 of the petition. These particulars were furnished by the petitioner per application dated 15th September 1962. In these circumstances, I do not think the petition or these proceedings are hit by Section 83 of the R.P. Act.

In these proceedings, the parties and their counsel use the word 'pamphlet' in connection with Ex. 15. I do not think it is a very appropriate word, because a pamphlet ordinarily means a small book stitched but not bound. In certain circumstances, a pamphlet means a treatise. Nor can Ex. 15 be described as a handbill which means a loose sheet bearing an announcement. In my opinion, the most appropriate word for Ex. 15 will be a leaflet, which means a single unstitched leaf. I therefore propose to use the word leaflet in place of the word 'pamphlet'.

In this issue, the main point for consideration is the leaflet 'Chetawni' Ex. 15. It is attached to Annexure A. This issue also refers to Para. 13 of the petition in which it is mentioned that respondent No. 1 and his workers issued the leaflet Ex. 15 for holding three meetings on 21st February 1962 and that the leaflet Ex. 15 was distributed by respondent No. 1 and his workers in a number of villages, viz. Mithai, Papri, Nahroi, Kunwarpur, Nagla Bans, Chandpa, Nagla Ojha, Mehmudpur Brahmna, Visana and others.

The main question for consideration in this issue is whether respondent No. 1 and his workers got the leaflet Ex. 15 prepared and printed and whether they distributed it during the election campaign in some of the villages in their Constituency in order to injure the petitioner's election campaign.

It is admitted by the parties that they contested the last General Elections from 76-Hathras Parliamentary Constituency on 21st, 23rd and 25th February, 1962; that the petitioner was a candidate of the Congress Party; that respondent No. 1 was a candidate of the Republican Party with the symbol of 'elephant', that the villages mentioned in Para. 13 of the petition are situate within the constituency aforesaid and that on March 1, 1962, respondent No. 1 was declared as duly elected.

The respondent No. 1 denies Ex. 15 completely and maintains that he or his workers had never anything to do with it.

What is to be seen first is whether Ex. 15 was prepared by respondent No. 1's workers named in Para. 9 of the petition and Schedule I attached thereto?

Dhani Ram entered the witness-box as P.W. 32. According to him, he belongs to respondent No. 1's village Lala-ka-Nagla. During the last election, respondent No. 1 formed a Committee whose main function was to get the papers printed and to bring the voters to the polling booths. The witness was one of the members of the said Committee. Ex. 14 is the original draft of the leaflet Ex. 15. It was prepared by the said Committee at Gulab Chand's Tal, where the respondent No. 1 kept his office. The draft was dictated by respondent No. 1 and Bedram Kardam. The scribe was Tulsi Prasad. Ex. 14 was not scribed in the presence of the witness. He is sought to be discredited on the ground that according to his own admission he is a fifth columnist. The witness explained this charge by stating that he was not speaking against respondent No. 1 but giving out the truth. He also refuted the insinuation that he had been purchased by the petitioner. It is also pointed out that 4 or 5 years back Sarwana, father of Ramji

Lal, filed a complaint against Dallo and that this witness appeared as a witness for the complainant. The alleged ill-will is too remote to carry any weight. It is true that Ex. 14 does not bear the signature of this witness, but that does not mean that he could not be present at the time it was prepared. I may add that it is undisputed that the respondent No. 1 had his office at the Tal of Gulab Chand.

That this witness was a member of respondent No. 1's committee formed for fighting the election will be evident from Ex. 22 which is a carbon copy of the secret circular alleged to have been issued by respondent No. 1's committee in connection with his election campaign. The respondent No. 1 maintains that he had nothing to do with Ex. 22. He points out that it does not bear his signature, and that its original copy is not on the record. I shall refer to Ex. 22 in detail while discussing the issue No. 6. In my opinion, the witness (P.W. 32) is speaking the truth.

Ramji Lal corroborated the above version by entering the witness-box as P.W. 33. He also belongs to the respondent No. 1's village. He was also a member of the respondent's alleged committee as is evident from his signature on Ex. 22 referred to above. He added that at the time of preparation of Ex. 22, respondent No. 1 was present. He further deposed that the original draft Ex. 14 was scribed in his presence by Tulsi Prasad, that it was dictated by respondent No. 1 and Bedram Kardam. He verified the signature of Bedram Kardam and Lala Ram on Ex. 14. Thereafter Ex. 14 was sent by respondent No. 1 to Narain Press for printing. The witness also identified the signature of Liladhar on the back of Ex. 14. He gave the parentage of Liladhar as Budhsen, alias Mata Ram.

His testimony is sought to be assailed on a number of grounds. It is suggested that Ramji Lal, whose signature Ex. 22 bears, may be another man, son of Dipchand. The suggestion is valueless in view of the fact that Ramji Lal s/o Dipchand has not been examined by respondent No. 1 in support of that suggestion. It is further pointed out that the father of this witness filed a case against Dalli, who is a distant uncle of respondent No. 1. The witness pleaded ignorance about this allegation. Respondent No. 1 has not filed any documentary evidence in support of this suggestion, to which I attach no significance. The character of this witness is alleged to be unsatisfactory. It is pointed out that according to his own admission, he was twice prosecuted for gambling. It is, however, conveniently overlooked that each time he was acquitted. It is then said that this witness belongs to a family of gamblers. It is alleged that his elder brother Sukhram was prosecuted for gambling. This was refuted by the witness. Next it is said that the father of the witness was also challaned for gambling. The witness pleaded ignorance about it. The witness further stated that he had no knowledge that the sons of his *Bua* appeared as witnesses against the petitioner, or that Shanker Lal lodged a report under Section 323 I.P.C. against the witness and his father. These suggestions would have carried some weight, if the respondent No. 1 could substantiate them. The witness further refuted the suggestion that the members of his family were ever on inimical terms with respondent No. 1, or that he colluded with the petitioner for the purpose of these proceedings. He, however, stated that he signed Ex. 14 which is, however, conspicuous by the absence of his signature. Evidently this witness was indulging in surmise on this point. There can, however, be no doubt that this witness signed Ex. 22. He was, therefore, closely connected with respondent No. 1's election campaign. He was also the counting agent of respondent No. 1 as is evident from Ex. 19. There is also reason to believe that this witness was also a polling agent of respondent No. 1. In these circumstances, it stands to reason to believe that he must have been present at the time of the preparation of Ex. 14. Consequently, I place reliance upon his testimony.

In rebuttal, respondent No. 1 as DW 28 stated that he had nothing to do with Ex. 14 or Ex. 22, that Bedram Neta, Lala Ram, Tulsi Prasad and Liladhar were not his workers or agents, and that the persons who signed Ex. 22 were not connected with him during his election campaign. I am afraid, his testimony cannot carry much conviction. It is true that Bedram Neta is not mentioned in Para. 9 of the petition, but he and Lala Ram Pippal are clearly described in Schedule I as supporters of respondent No. 1 and as distributors of Ex. 15. Sri Lala Ram and Liladhar are clearly mentioned in Para. 9 of the petition too. A confusion is sought to be created by describing Liladhar as Liladhar Pippal. Respondent No. 1 as DW 28 stated that Liladhar Pippal was a candidate for Lok Sabha in this election, and that Lala Ram was Liladhar's worker. It is, therefore, argued that Lala Ram and Liladhar could not possibly be respondent No. 1's workers. I am afraid, I cannot accept this contention. If Ex. 14 really bears the signatures of Lala Ram, a worker of Liladhar Pippal some documentary evidence could have been filed in support of it. What completely knocks out the bottom of this plea is the fact that Liladhar was examined by respondent No. 1 as DW

24. No question was put to him about his signature on the back of Ex. 14 in examination-in-chief. That is why he was not cross-examined by the petitioner on the point. A casual comparison of Liladhar's signature on his statement as DW 24 with his signature on Ex. 14-A will readily show that the two signatures are identical and belong to the same person. I may add that Liladhar DW 24 never stated that he was Liladhar Pippal, or that Lala Ram was his worker during the last election.

Ram Khilari PW 4 is the Pradhan of Gram Sabha of village Mitai. According to him, Bedram and Lala Ram of his village are Jatavs and members of the Gram Sabha. During the last election, both of them supported and worked for Joti Swarup, respondent No. 1. The witness identified the signatures of Bedram and Lala Ram on Ex. 14. He is a person of status. There is nothing in his cross-examination to damage his testimony on this point. He must have seen Bedram and Lala Ram putting their signatures, because both of them are members of the Gram Sabha, of which this witness is the Pradhan.

Respondent No. 1's counsel, however, points out that Bedram and Lala Ram were cited by the petitioner as his witnesses and that they have not been examined by him for some unknown reasons. The petitioner's counsel, on the other hand, maintains that Bedram and Lala Ram were mentioned as petitioner's witnesses, so that they might prove their signatures on Ex. 14, but subsequently their examination was considered risky, as they belonged to respondent No. 1's party. The explanation is convincing. There is thus no doubt that Ex. 14 was prepared under the signatures of Bedram Neta and Lala Ram Pippal, who were supporters and workers of respondent No. 1.

Another prominent person in connection with Ex. 14 is Tulsi Prasad. He verified Ex. 14 before Narain Niwas PW 1. Respondent No. 1, however, contends that the name of this person should be excluded from consideration as he was not mentioned in Para. 9 of the petition. It is true that Tulsi Prasad's name is not to be found in the petitioner's pleadings. But there is little doubt that he was an agent of respondent No. 1. Ex. 19 is form No. 18 regarding appointment of counting agents of Sri Joti Swarup respondent No. 1. Therein the name of Tulsi Prasad is clearly mentioned as counting agent. I have already referred to the testimony of Dhani Ram PW 32 and Ramji Lal PW 33, who stated that Tulsi Prasad was the scribe of Ex. 14.

Ram Babu PW 29 belongs to the village where respondent No. 1 and Tulsi Prasad live. According to him, he had seen Tulsi Prasad reading and writing, because both were class-fellows. He testified that the portion encircled with red pencil in Ex. 14 was in the handwriting of Tulsi Prasad, and that the verification on Ex. 14 was also in the hand-writing of Tulsi Prasad. The witness identified Tulsi Prasad's signature on Ex. 14 and Ex. 14-A. He also identified Tulsi Prasad's signature on form No. 18 (Ex. 19). There is nothing in the cross-examination of this witness to discredit him. I, therefore, place full reliance upon his testimony.

In rebuttal, respondent No. 1 denies his connection with Tulsi Prasad; but his bare denial is meaningless. Tusi Prasad was summoned by respondent No. 1 as his own witness on 17th October 1963, but he was not examined for reasons best known to the contesting respondent. It is also true that Tulsi Prasad was mentioned as petitioner's witness in the list of witnesses, but the petitioner did not examine him, probably because the petitioner was not sure about him. Any how, from the testimony of Ram Babu PW 29 and Narain Niwas PW 1 and also from Ex. 19 it is evident that Tulsi Prasad was the supporter and worker of respondent No. 1, and that he scribed Ex. 14 and that he verified it before Narain Niwas PW 1 on 15th February 1962.

For these reasons, I hold that Ex. 14 was dictated and prepared by respondent No. 1 and his workers Lala Ram, Bedram, Tulsi Prasad and Liladhar.

Next it is to be ascertained whether the respondent No. 1 and his workers got the leaflet Ex. 15 printed?

Narain Niwas entered the witness-box as PW 1. According to him, he is the proprietor of Narain Printing Press, Hathras. It was he who brought the original manuscript or draft Ex. 14. According to him he printed it in his press in February, 1962. The manuscript Ex. 14 was brought to him by Tulsi Prasad whose handwriting and signature he could identify. Ex. 14 is in the handwriting of Tulsi Prasad. The witness made Tulsi Prasad verify the fact that the original manuscript was signed in his presence by Bedram and Lala Ram Pippal. This verification was also obtained from Liladhar. The witness verified Ex. 14-A and

the signatures of Tulsi Prasad and Liladhar thereon. He is also acquainted with respondent No. 1. The printed leaflets were taken away from him by Tulsi Prasad and respondent No. 1.

He is a very important witness. Consequently repeated attempts have been made by respondent No. 1 to assail his testimony. It is pointed out that his statement as well as Ex. 15 is hit by Section 127-A, clause (2)(b) of the Act. It is alleged that this witness failed to send a copy of this leaflet to the District Magistrate. In cross-examination, the witness, however, maintained that he did send a copy of the leaflet Ex. 15 to the District Magistrate, Aligarh, but that he was unable to furnish any documentary proof of that fact on 9th September 1963, when he was examined for the first time. He was, however, re-examined on 1st October 1963, when he filed a postal receipt Ex. 16 in support of it. In cross-examination he stated that the particulars on the receipt Ex. 16 were in his handwriting, and that he succeeded in tracing it out after strenuous search. He was unable to obtain any other record. It was true that he sent copies of a few other pamphlets to the District Magistrate, but he had separate receipts for the same. He did not file those receipts because they were not summoned from him. He, however, offered to produce them in a day or two. He did not keep any account register; that is why none was produced. He could also produce, if required, a carbon copy of the bill which he gave to Tulsi Prasad for the printing of Ex. 15. In my opinion, he is a trust-worthy witness. There is no reason why he should depose falsely against respondent No. 1, who conceded that there was no ill-will between him and the witness.

There is a bill of Rs. 6/- dated 20th February, 1962. This bill was filed by respondent No. 1 along with his return of election expenses, which was verified by him on 27th March 1962. A perusal of this bill goes to show that respondent No. 1 got his ballot papers printed at Narain Press and paid Rs. 6/- as printing charges. This leaves no room for doubt that Narain Niwas PW 1 was on good terms with respondent No. 1 in February, 1962. His mere acquaintance with Sri Prem Chand Ji, M.L.C. on Congress ticket, cannot possibly mean that he was favouring the petitioner who was also a Congress candidate. He refuted the suggestion that he printed Ex. 15 at the instance of the petitioner after the election was over. He also stated in cross-examination that he handed over the printed copies of Ex. 14 on 17th February 1962, to Tulsi Prasad and respondent No. 1. I see no reason to disbelieve him. I shall presently explain further why his testimony carries conviction.

The respondent No. 1 denied these allegations on oath as DW 28. He also examined Sri Kunwar Bahadur, English Record Keeper, Collectorate, Aligarh as DW 26. According to him, he was officiating as English Record Keeper at that time. He brought the correspondence register of February, 1962. There was no entry in this register about any envelope having been received from Narain Printing Press, Hathras, during that month. He testified that all important letters addressed to the District Magistrate were entered in that correspondence register. In cross-examination, he however conceded that he had been officiating as English Record Keeper since 13th September 1963, that the register did not contain the receipt of any pamphlet or leaflet issued by any candidate during the last General Elections, that he was not responsible for the work under the Press Act. Two things are note-worthy in connection with the evidence of this witness. The first is that the official who worked as English Record Keeper in February 1962 is still alive and in service at Aligarh. He was not summoned. The second point is that only important letters are entered in the correspondence register. It is, therefore, not at all necessary that the leaflet sent by a printing press should also have been entered in this register. I am, therefore, of the opinion that the evidence of Kunwar Bahadur is of little avail to the respondent No. 1.

The respondent No. 1 also examined Sri Krishna Sahai, Sub Post-Master, Hathras as DW 27. He stated that he could not bring the impression book summoned from him, because the said book had been weeded out. He, however, brought some other impression-book.

Lastly the respondent No. 1 examined Sri U. S. Kashyap handwriting expert as DW 29. According to him, he had put in 29 years practice as handwriting expert. On 11th November 1963, he took enlarged photographs of the questioned documents. The disputed postal stamp seal on Ex. 16 is dated 20th February, 1962. He compared this postal stamp seal with the delivery postal stamp seals on postcards Exs. A-6 to A-10. He also compared the disputed postal stamp seal with the postal stamp seals in the impression register, Ex. A-4 and came to the conclusion that the postal stamp seal dated 20th February 1962, on Ex. 16 did not bear any comparison with the postal stamp seals mentioned above. I am afraid, his evidence is of little significance for more than one reason. The postal stamp seal on Ex. 16 was not compared with the impression register of February, 1962.

The Sub-Postmaster as DW 27 had already conceded that the impression register of February, 1962 had been weeded out. Consequently, there was no point in comparing the postal stamp seal on Ex. 16 with the seals contained in the impression register Ex. A-4 of December, 1962.

It is true that the postcards Exs. A-6 to A-10 bear the postal stamp seals of February, 1962; but what is note worthy is that these postcards bear the delivery stamp seals, while Ex. 16 bears the receipt stamp seal. Consequently, it was pointless to base any conclusion on the comparison between the stamp seal of Ex. 16 and the stamp seals on Exs. A-6 to A-10. Respondent No. 1 as DW 28 also concedes that several stamp seals are used in the Sub-Post Office, Hathras, and that the stamp seals used for delivery are different from those used for receipt. Accordingly, the testimony of this expert can be of no avail to respondent No. 1.

For these reasons, I hold that the testimony of Narain Niwas PW 1 as well as the leaflet Ex. 15 is not vitiated by the provisions of Section 127A (2)(b) of the R.P. Act. On the other hand, his testimony clearly establishes that Ex. 15 was printed at the instance of respondent No. 1's workers Bedram, Lala Ram, Tulsi Prasad and Liladhar, and that the printed leaflets Ex. 15 were taken away from Narain Press by respondent No. 1 and his worker Tulsi Prasad on 17th February, 1962.

How did the petitioner come to know of Ex. 15? Babu Lal PW 31 supplies the answer. According to him, during the last election, he worked for Sri Nand Kumar Vashisht who was a candidate on Congress ticket for Vidhan Sabha. During the election, pamphlets were distributed on behalf of Joti Swarup, respondent No. 1. The witness collected them and deposited them in the Congress office. There is nothing in the cross-examination of this witness to damage his testimony, which clearly shows how the petitioner came to know of Ex. 15.

In view of the above evidence, there can be no room for doubt that Ex. 15 is a genuine document printed on the basis of Ex. 14, which was got up by respondent No. 1 and his workers Bedram, Lala Ram, Tulsi Prasad and Liladhar.

Was Ex. 15 distributed in the Constituency by respondent No. 1 and his workers? The petitioner has led evidence to show that leaflets (Ex. 15) were distributed by and on behalf of respondent No. 1 in villages Chandpa, Gajrouli, Bisana, Mahmudpur Brahman, Nagla Bans Kunwerpur. Village Gajrouli cannot be considered because it was not mentioned in Para. 13 of the petition.

As regards village Chandpa, Pitamber PW 2 stated that he was a member of the Gram Panchayat and also of Scheduled Caste Federation. During the last election, 4 or 5 days before the polling date, leaflets similar to Ex. 15 were distributed in his village Chandpa by Bedram, Lala Ram and respondent No. 1. He is a person of status whose evidence carries weight. There is nothing in his cross-examination to discredit him on this point. He is attached to the Congress Party. That is why he took interest in Ex. 15. In my opinion, he is a trustworthy witness.

As regards village Bisana, Her Prasad Gupta, Islam and Ranvir Singh have come forward to state that leaflets similar to Ex. 15 were distributed in their village during the election. Her Prasad Gupta is PW 7 and is a resident of village Bisana. In fact he is the Pradhan of the Gram Sabha. According to him, 4 or 5 days prior to the polling date, Ex. 15 was distributed by Ranvir Singh, Joti Swarup, Lala Ram and others. In cross-examination, he stated that he never took part in any political matter, that he never complained to any one against Ex. 15, that he was not previously acquainted with the petitioner. In my opinion, his testimony carries conviction.

Islam is PW 12 and is a resident of Bisana. According to him, 4 or 5 days prior to the polling date, Joti Swarup and his companions distributed Ex. 15 in his village. It is true that he came to the court without summons and that he received the summons when he came to the Civil Courts. He is not well acquainted with Joti Swarup's companions. He never complained against Ex. 15 to any one. He is unable to remember the headline of Ex. 15. He has studied upto 8th class. He refuted the suggestion that he was appearing as petitioner's witness at the instance of Bhoru Jagdish Prasad or the Congress workers. In my opinion, his testimony is also worthy of credit.

Ranvir Singh is PW 13 and belongs to Bisana. According to him, about 4 days prior to the polling date, respondent No. 1, Bedram, Lala Ram and he distributed in villages Bisana, Nagla Ojha and other villages the leaflets like Ex. 15. He is a very important witness, because according to him he was respondent No.

1's polling agent. His testimony must, therefore, carry unusual weight. In cross-examination, he stated that he was not displeased with respondent No. 1, but that he was speaking the truth. He received the summons on 9th September, 1963. Since then he had been coming to court regularly. He was examined on 12th September, 1963. Sughrive and Faujdar were also polling agents of respondent No. 1 at Bisana polling station. He pleaded ignorance about the fact whether respondent No. 1 was at Gangiri and Akrabad on 21st February 1962, because he did not go in those villages along with respondent No. 1. He refuted the suggestion that he was appearing as petitioner's witness at the instance of the Congress Party. In my opinion he is also a trust-worthy witness.

As regards village Mahmudpur Brahman, Chetram PW8 stated that 4 or 5 days prior to the polling date, Joti Prasad, Bedram Neta and the Mukhia of village Mitai distributed Ex. 15 in his village. He identified respondent No. 1 in court. In cross-examination, he stated that he was a Brahmin, that he was not connected with any political party, that he was well acquainted with Bedram, that he made no complaint in respect of Ex. 15, that he read it after taking it from Dalchand Jatav, that he returned it to him after reading it, that he received the summons on the previous day and that he was not appearing as petitioner's witness at the instance of the Congress workers. He appears to be an independent and disinterested witness, whose testimony carries conviction.

As regards, Nagla Bans Kunwarpur, Shiam Babu PW 9, Hoti Lal PW 10 and Ram Gopal PW 11 have stated that a few days prior to the polling date, Bedram, Lala Ram, Joti Swarup and others distributed leaflets like Ex. 15 in their village. There is nothing damaging in their cross-examination. They all appear to be fairly independent and responsible persons, whom I see no reason to disbelieve.

In rebuttal, respondent No. 1 examined Pratap Singh PW3, who stated that no leaflet similar to Ex. 15 was distributed in village Mitai. Neksa DW 13 stated that no such leaflet was distributed in village Bisana. Similar is the testimony of Chhattar DW 14. Jangli DW 15, Behari Lal DW 16, Udaipal DW 17 and Gainda DW 18. They all appear to be interested persons. Consequently their negative evidence cannot carry much conviction.

Lastly the respondent No. 1 entered the witness-box as DW 28 and denied that leaflets like Ex. 15 were distributed by or on his behalf in the Constituency during the last election. His negative evidence is without force. Once it is shown that Ex. 15 was prepared and printed by him and his workers, it is not possible to believe that these leaflets were kept in the cold storage, and that they were not distributed before the polling date. In my opinion, the petitioner has succeeded in showing beyond reasonable doubt that these leaflets Ex. 15 were widely distributed by and on behalf of respondent No. 1 in his Constituency a few days prior to the polling date.

Does Ex. 15 arouse communal feelings? A perusal of Ex. 15 leaves no room for doubt about it. The leaflet opens by hailing to Bhim, who is no other person than baba Sahab Bhim, Dr. Ambedker. Its heading is 'warning', which announces that there is going to be a big meeting in connection with Sri Joti Swarup's election to the reserved seat of Lok Sabha. It then identifies the Congress with the Brahmins. It declares that during the last 10 years the Congress has done nothing except to uplift the Brahmins. It then accuses the Congress of bribery, dacoity, black marketing, heavy taxation and controls. It adds that their only leader Baba Sahab, Dr. Ambedker, was poisoned by Laxmi Brahmin. It then deals with the petitioner, who is described as a stranger with a sacred thread round his neck; voting for whom would make them subordinate to the Brahmins for ever. If any Jatav cast his vote for the Congress candidate, he would injure the soul of Baba Sahab. Such a voter would have to suffer.

It is immaterial whether the above statements are correct or not. What has to be seen is whether the above statements are capable of arousing communal feelings. There can be no two opinions about it. By identifying the Congress with the Brahmins, by attributing late Dr. Ambedker's death to Laxmi Brahmin, by describing the petitioner as a Brahmin and then to threaten every Jatav voter with eternal punishment is nothing but an appeal to rank communalism, and as such it amounts to a corrupt practice within the meaning of Section 123 of the R.P. Act.

The issue is, therefore, decided in petitioner's favour and against respondent No. 1.

Issues Nos. 1 and 3.—Since these two issues are connected, I propose to take them together.

In Paras. 16 to 19 of the petition, the petitioner alleges that respondent No. 1 and his workers organized three meetings in villages Mithai, Bisasa and Kunwarpur in the Constituency, that those meetings were addressed by Sri B. P. Maurya, Bedram Kardam, Dorilal and respondent No. 1; that in those speeches it was declared that the soul of Dr. Ambedker would be hurt if Jatavs voted for the petitioner, that in secret meetings organized in Muslim Mohallas, the slogan 'Muslim Jatav bhai bhai; Hindu qaum kahan se aai' was raised, with the result that the Muslim throughout the Constituency voted for respondent No. 1, that the slogan aforesaid was a death blow to secularism and democracy, and that on account of this unhealthy propaganda the Jatav and Muslim voters revoted against the petitioner and voted for respondent No. 1, thereby materially affecting the result of the petitioner's election.

All these facts are totally denied by respondent No. 1 who contends that no such meeting were organized, that neither he nor his workers ever exhorted the Jatav voters to vote for him by appealing to the soul of Dr. Ambedker, and that no slogan as is alleged by the petitioner was raised by him or his workers during the election campaign.

The respondent No. 1's learned counsel contends that these issues are not properly framed. It is true that these issues are not very specific, but there can be no doubt that respondent No. 1 knew from the very beginning what the case of the petitioner he had to meet. Consequently, he has not been prejudiced at all in his defence.

Pitamber PW 2 speaks about respondent No. 1's meeting in village Chandpa and the speeches delivered there by respondent No. 1 and his supporters, but this village is not mentioned in Para 16 of the petition. I do not, therefore, propose to consider the evidence of this witness with regard to the alleged meeting and speeches in this village.

With regard to village Mithai, the petitioner has examined Khwaj Bux PW 3, Ram Khilari PW 4 and Prabhu Dayal Dixit PW 24. According to the first witness a few days prior to the polling date, he attended a meeting organized on behalf of respondent No. 1 in village Mithai. There the supporters of respondent No. 1 raised the slogan 'Muslim Jatav bhai bhai; Hindu qaum kahan se aai'. The said meeting was addressed by Dorilal, Bedram, Joti Swarup and Maurya Ji, who declared that Baba Ambedker was poisoned, that the petitioner was not a Jatav, that he was a stranger, that the Congress was an institution of Brahmins, and that the soul of Baba Ji would be hurt if people failed to vote for respondent No. 1. He appears to be a casual witness who belongs to village Gajrouli and not to village Mithai. He did not care to note down the points made in the speeches, nor did he complain to anybody else against the alleged slogan.

Ram Khilari PW 4 belongs to village Mithai. He is the Pradhan of the local Gram Sabha. According to him, two days prior to the date of polling respondent No. 1 organized a meeting in the village, where the slogan 'Muslim Jatav bhai bhai; Hindu qaum kahan se aai' was raised. The meeting was addressed by respondent No. 1's supporters who gave out that the petitioner was putting on a sacred thread, that if the people did not vote for respondent No. 1, the soul of Baba Ambedker would be hurt. He appears to be a responsible and independent witness, whose evidence carries some conviction, but since he did not note either the slogan or the points made in the speeches in question, I do not think it will be safe to place much reliance upon his testimony on this point.

Prabhu Dayal Dixit PW 24 is the Block Pramukh. According to him, two days prior to the date of poll, respondent No. 1 organized a meeting in village Mithai. The said meeting was addressed by Bedram, Dorilal and respondent No. 1 who gave out that the petitioner was a Brahmin, that he was a stranger, that the Congress people poisoned Babaji, that his soul would be hurt if they did not vote for respondent No. 1. The slogan 'Muslim Jatav bhai bhai; Hindu qaum kahan se aai' was also raised. In cross-examination he refuted the charge that respondent No. 1 was a party to no-confidence motion against him. He also did not note the points made in the speeches or the slogans alleged to have been raised in that meeting. I do not, therefore, find safe to place much reliance upon his testimony on this point.

As regards village Bisana, the petitioner's evidence consists of Har Prasad Gupta P.W. 7, Islam P.W. 12 and Ranvir Singh P.W. 13. The first named witness is the Pradhan of the local Gram Sabha. The second witness is a resident of Bisana. The last named also belongs to Bisana and claims himself to be the polling agent of respondent No. 1. They all testified that a few days before the polling date, respondent No. 1 organized meeting at Bisana, where the slogan in question was

raised and where he and his supporters spoke about the petitioner as a Brahmin. They appealed for vote on the ground that Dr. Ambedker's soul would be hurt if people did not vote for respondent No. 1. These witnesses did not also note down the points made in the said speeches or the slogan alleged to have been raised in that meeting.

As regards Nagla Bans Kunwarpur, Hotilal P.W. 10 and Ram Gopal P.W. 11 came forward to depose that about two days prior to the poll, a meeting was organized on behalf of respondent No. 1 in the village where the slogan in question was raised and where the respondent No. 1 and his workers made speeches exhorting the voters to vote for respondent No. 1, last the soul of Dr. Ambedker was hurt. The petitioner was described as a Brahmin. Again, these two witnesses did not note down either the points made in the alleged speeches or the words of the slogan in question.

Champa Ram as P.W. 25 stated that he came to know of these meetings and that subsequently he apprised the petitioner about what took place in those meetings. That is how the petitioner came to know of the slogan in question and the offensive speeches. He appears to be a formal witness whose evidence cannot carry absolute conviction.

In rebuttal, respondent No. 1 examined four witnesses, *viz.* Khachermal D.W. 1, Shiv Nandan D.W. 4, Sunder Lal D.W. 5 and Gajadhar Singh D.W. 6 for village Chandpa. This evidence cannot be considered for the simple reason that village Chandpa is not included in Para. 16 of the petition.

With regard to village Mithai, Ramhet D.W. 2, Pratap Singh D.W. 3 and Sunder Lal D.W. 7 came forward to testify that no meeting of the kind as alleged by the petitioner was held in village Mithai, and that the slogan in question was never raised in this village on behalf of respondent No. 1.

As regards village Bisana, respondent No. 1 examined Neksa D.W. 13, Chhattar D.W. 14, Jangli D.W. 15 and Behari Lal D.W. 16, who deposed that no speech of the kind alleged by the petitioner was made in Bisana and that the slogan in question was never raised on behalf of respondent No. 1.

With regard to Nagla Bans Kunwarpur, Udaipal D.W. 17, Ganda D.W. 18 and Tori D.W. 19 came forward to deny that any speech of the kind alleged by the petitioner was made in the village or that the slogan in question was ever raised there.

Rama Shankar D.W. 20 appears to be an opposite number of Champa Ram P.W. 25. According to the former on the date of poll, respondent No. 1 was with him at Atrauli.

Lastly respondent No. 1 entered the witness-box as D.W. 28 and testified that no meeting of the kind was organized by or on his behalf in these three villages, that no speech of the kind alleged by the petitioner was made by him or by any of his supporters and that the slogan in question was never raised by or on his behalf during his election campaign.

What is note worthy is that the Muslim population in these three villages is negligible. There was thus no point in raising the slogan in question in these villages. The respondent No. 1 and his supporters must have held meetings in these villages as is evident from Ex. 15, but there is no reliable evidence to prove that in those meetings the respondent No. 1 and his workers appealed to the voters on communal or religious grounds. Accordingly I decide these two issues against the petitioner and in favour of respondent No. 1.

*Issue Nos. 4 and 5.*—The petitioner has led no evidence in respect of these two issues. In fact the petitioner's learned counsel does not press these issues which are consequently decided against the petitioner and in favour of respondent No. 1.

*Issue No. 6.*—This is another important issue in these proceedings. In Para. 25 of the petition, it is alleged that respondent No. 1 and his workers issued a secret circular to all the agents and workers of respondent No. 1 with direction to bring voters in third trucks and to entertain them to sumptuous tea and food before sending them to polling booths. The alleged secret circular is appended as Annexure C. In Para. 27 of the petition, it is alleged that in compliance of the said circular, respondent No. 1 and his workers carried the voters in trucks and motor cars to polling booths, such as Kantella Barehsoni Inter College, Saraswati Vidyalai, Mithai Bisana, Ramchander Mills and Lehra. The list of trucks used along with their

numbers and their drivers is Annexure E. In Para. 28 of the petition, it is alleged that trucks, motor cars and ekkas were used for taking the voters to the respective polling booths. In Para. 29 of the petition, it is said that the above amounted to a corrupt practice which materially affected the result of the petitioner's election, because the latter had no arrangement for conveyance of the voters.

It is contended on behalf of respondent No. 1 that the issue is not in accordance with the pleadings. But there is no ambiguity in the issue actually framed.

The respondent No. 1 also refers to the oral pleadings, according to which the petitioner deemed it unnecessary to disclose the names of agents, pairokars and workers mentioned in Para. 25 of the petition and the petitioner gave out that he would not claim any issue regarding them. It is, therefore, contended that the issue in question should not have been framed. No doubt, the oral pleadings about Para. 25 of the petition tend to be ambiguous. But it is not possible to accept the respondent No. 1's contention that the present issue should be struck off. As stated above, the present issue covers Para. 25 to Para. 29 of the petition. The petitioner never gave up the allegations of these Paras., nor did the respondent No. 1 raise this objection at the time of the framing of issues. The parties have adduced considerable amount of evidence on this issue, which has to be decided on merits.

This issue mentions the secret circular (Annexure C) which is nothing better than a piece of evidence. The important point in this issue is whether respondent No. 1 and his workers carried the voters to the polling booths and whether they entertained them to sumptuous tea before sending them to the polling booths.

Annexure C has been duly proved by Dhani Ram P.W. 32 and Ramji Lal P.W. 33. Both of them belong to the respondent No. 1's village. According to them, respondent No. 1 organized an election committee before starting his election campaign. The function of this committee was to print leaflets, posters and other papers necessary for the election campaign and to bring the voters to the polling booths. Both of them were members of the said committee. According to them, the said committee issued the secret circular Ex. 22. It was signed by them and other members of the committee. There is nothing damaging in their cross-examination. It is true that Ex. 22 does not bear the signature of the respondent No. 1, but that would not mean that respondent No. 1 had nothing to do with it. The respondent No. 1's learned counsel, however, objects to Ex. 22 on the ground that it is a carbon copy and that the original was not summoned by the petitioner. But a carbon copy stands on a slightly different footing. The respondent No. 1's case is that the people of village Nagla Lala wanted to set up a library in the village for which signatures were obtained on a blank paper which now has been used as Ex. 22. In support of that contention, Bishamber D.W. 23, Liladhar D.W. 24 and Sanahi Ram D.W. 25 have been examined. According to them, they signed a blank paper because they were given to understand that it was an appeal for setting up a local library. I am afraid, I cannot accept their testimony on this point. All these witnesses are without doubt supporters of respondent No. 1. Since they could not deny their signatures on Ex. 22, they came out with a false explanation. They are unable to give the details of the alleged library, nor could they make it clear as to who were the sponsors of the alleged scheme and as to who obtained their signatures on the alleged blank paper. In view of the sworn testimony of Dhani Ram P.W. 32 and Ramji Lal P.W. 33, I hold that (Ex. 22) was a circular issued by the workers of respondent No. 1 for the purpose of his election campaign. A perusal of Ex. 22 leaves no room for doubt that some of the supporters of respondent No. 1 had decided to transport the voters to polling booths in the vehicles. In this light, the oral evidence adduced by the parties is to be scrutinized. The real question for consideration is whether the respondent No. 1's workers carried the voters to the polling booths in various hired vehicles.

Four polling stations figure prominently in this connection. For Bisana polling station, Ranbir Singh P.W. 13, Kali Charan P.W. 14, Bhagwati Prasad P.W. 15 and Ram Prakash P.W. 18 have been examined. The first named witness was the polling agent of respondent No. 1. According to him, on 23rd February, 1962 respondent No. 1 sent his motor car in which he brought voters from Nagla Ojha to Bisana polling station. He is corroborated on this point by Kali Charan P.W. 14, Bhagwati Prasad P.W. 15 who are residents of Nagla Ojha. Ram Prakash P.W. 18 is another important witness. According to him, he is the owner of motor car No. UPB 886. During the last election, he plied his motor car for respondent No. 1. Bedram Kardam, who is admittedly the respondent No. 1's worker, approached the witness for his motor car. The witness gave out that his car was out of order. He, however, offered the car for service if Bedram

would get it repaired. The offer was accepted and Bedram got the car fully repaired. Consequently it was used during the election for respondent No. 1. On 22nd February, 1962, the witness brought in that car respondent No. 1 to a meeting. On 23rd February, 1962 he brought respondent No. 1's voters from Nagla Ojha and did not charge any fare from the voters who were left at the polling station. Thereafter the witness came to Hathras and brought respondent No. 1's voters from Madhgarhi to Barehseini College polling station. Similarly, the witness brought respondent No. 1's voters from Ramanpur. There is nothing damaging in his cross-examination. It is true that he could not give the names of the voters brought by him in his car to the polling stations. This does not detract from the value of his evidence. His motor car needed one tyre which was brought from Agra. The price was paid by respondent No. 1. He did not pay for petrol, which was obtained from the petrol pump situate at Talab Hiralal. On 23rd February, 1962, his tank was full. He has no connection with Congress. He was not challaned in any criminal case by the Hathras police. In my opinion, he is a trust-worthy witness, whose evidence carries conviction.

Liladhar P.W. 16 and Shanker P.W. 17 corroborate Ram Prakash P.W. 18 about the Barehseini Inter College polling station. There is nothing damaging in their cross-examination, and I see no reason to disbelieve them.

With regard to Katelia polling station, Ram Charan P.W. 19 and Har Prasad P.W. 20 came forward to testify that respondent No. 1's voters were brought in a truck bearing the emblem of elephant. According to Ram Charan, the driver of that truck was Kishan Chand. It is true that this witness did not note the number of the truck, but that is not enough to discredit him. Similarly, Har Prasad P.W. 20 says that respondent No. 1's voters were brought from Boolgarhi to Katelia polling station in a truck bearing a blue flag and the elephant posters. He is a Brahmin by caste and has nothing to gain by deposing falsely against the respondent No. 1. He is not a very literate person; that is why he could not note the number of the truck. His evidence is worthy of credence.

With regard to Mithal polling station, the petitioner examined Narain Singh P.W. 21 and Dhooser Singh P.W. 26. According to them, they and other voters of respondent No. 1 went from their village Kunwarpur to Mithai polling station in a truck. According to Narain Singh, he was taken in that truck by Bedram. According to Dhooser Singh, the truck carried elephant posters. Both of them are not very literate persons; that is why they did not note down the number of the truck. In my opinion, both of them are trust-worthy witnesses.

In rebuttal, the respondent No. 1 examined Karim Ullah D.W. 8, Ram Charan D.W. 9 and Natha Ram D.W. 10 with regard to Barehseini Inter College polling station. They all stated that no voter of respondent No. 1 was brought to that polling station in any motor car or truck. They all appear to be partisan witnesses, whose negative evidence is without much value.

As regards Katelia polling station, Lachhman D.W. 11 and Mawasi D.W. 12 testified that no voter of respondent No. 1 was brought to that polling station in any truck or a car. Both of them are Jatavs and appear to be partisan witnesses, whose evidence can carry no conviction.

With regard to Mithai polling station, Gainda D.W. 18 and Tori D.W. 19 stated that no voter of respondent No. 1 came to that polling station in a vehicle. Both of them are Jatavs and appear to be interested persons, who cannot be said to be reliable witnesses. It is, however, contended that there is no motor track upto Mithai polling station. But Gaina D.W. 18 has stated that a truck can reach the polling station by the canal road.

As regards Bisana polling station, Bhupal D.W. 22 is the solitary witness. According to him, the voters from village Ojha went to Bisana polling station on foot. He appears to be a casual witness, who appeared in court without summons. He is also a Jatav who admittedly belongs to Baba Bhim's party. His evidence being negative and partisan in character must be rejected.

Lastly, respondent No. 1 entered the witness-box as D.W. 28 and denied that he or his workers carried any voter in any vehicle to the polling stations during his election. He maintains that he never used a car during his election campaign. This sounds incredible. The return of expenses filed by him in these proceedings goes to show that he incurred appreciable amount of expenditure on petrol and Ekkas. In these circumstances, it is not possible to give much credence to his oral denial.

There are three other important witnesses on this issue. The first is Chiranji Lal P.W. 28. According to him, he owns motor car No. UPB 1535. He lied that car for respondent No. 1 during his election campaign. On the following date, he brought the voters to the polling stations. He took respondent No. 1's voters from Lala-ka-Nagla and Nagla Nai to Saraswati Vidyalai in that car which was decorated with posters and a blue flag. He issued the receipt Ex. 18 to the respondent No. 1. He duly proved this receipt. In cross-examination, he stated that his car could carry five passengers easily. Before the polling started, the respondent No. 1 used his car for doing propaganda. On the actual polling day, the respondent No. 1 did not use his car. He did not put any date on the receipt Ex. 18. Nor could he tell the names of the voters brought by him in his car to the polling station. In my opinion, he is a straight-forward and truthful witness, whose evidence inspires confidence.

The respondent No. 1 characterises Ex. 18 as forgery because there is an overwriting on the date given therein. A perusal of Ex. 18 goes to show that under the signature of Chiranji Lal, there is a date which appears to have been over-written. This is also evident from the evidence of handwriting expert Sri U. S. Kashyap D.W. 29. But who could have thought of committing the forgery about this date? What is significant in this connection is that this receipt was filed not by the petitioner but by the respondent No. 1 along with his return of expenses. It, therefore, follows that if any one could benefit by overwriting the date, it was the respondent No. 1. I am, therefore, of the opinion that this dubious date does not in any way invalidate the receipt Ex. 18 or the testimony of Chiranji Lal P.W. 28.

Hari Shanker Sharma P.W. 6 is the Development Officer, Life Insurance Corporation, Hathras. According to him, he was the Presiding Officer at Barehseni Inter College polling station, Hathras, during the last General Elections. The petitioner and respondent No. 1 were among the contesting candidates. On the polling date, a complaint was made to him that voters were being brought to the polling station in motor, rickshaws and tongas. It was a written complaint. Consequently the witness went outside the polling station and noted the number of the motor car which was bringing the voters. It carried a blue flag and elephant posters. Voters were getting down from that vehicle and coming towards the polling booth. The witness wanted to check the motor car, but meanwhile it speeded away.

In this connection, I would again refer to the statement of Liladhar P.W. 16. He testified that he lodged a written complaint before the Presiding Officer of Barehseni Inter College polling station about the respondent No. 1's voters being brought to the polling station in a motor car. He is corroborated on this point by Ex. 20, which is a certified copy of the application moved by this witness before the Presiding Officer of Barehseni College polling station on 23rd February, 1962. Ex. 11 is a certified copy of the order passed by the Presiding Officer on that application. Exception is taken to these two documents on the ground that they cannot be read in evidence, because the originals are not forth-coming. This objection is without force in view of the evidence of Sri Tirbeni Sahai, Election Inspector, Aligarh who as P.W. 23 stated that the originals of Exs. 11 and 20 were not traceable in the office and that the true copies were issued in ordinary routine manner. In these circumstances, it is quite permissible to read the certified copies Exs. 11 and 20 in evidence.

A perusal of Ex. 20 goes to show that Liladhar who was himself a contesting candidate complained to the Presiding Officer that the Republican Party was bringing the voters in motor car, Tongas and Rickshaws to polling station, that the motor car No. 886 was standing at the door and embarking voters there. He requested the Presiding Officer to note the fact himself and to prevent the Republican Party from indulging in the practice. Ex. 11 goes to show that the Presiding Officer of Barehseni College Polling station, Hathras (Sri Sharma P.W. 6) made a note to the effect that he noticed car No. UPB 886 with a blue flag and that voters were getting down and coming towards the booth. There can thus be no doubt that on 23rd February, 1962 the Republican Party, whose candidate respondent No. 1 was, brought some voters on that date in car No. UPB 886 to Barehseni College polling station.

Similarly, Sri Varsheny P.W. 27 deposed that he was the Presiding Officer at Mithai polling station during the last General Elections, that on the polling date, he received the complaint Ex. 17 moved by Chokhey Lal Sharma, petitioner's agent, that thereupon he directed the police constable on duty to verify the fact, that he said constable came back and said that one truck was standing one furlong

away. The witness himself got up in order to note the number of the truck, but since it was standing at a considerable distance, he could not decipher its number. Thereafter he deputed the police constable to go and note the number. The police constable did so. Ex. 17 is the original application moved on 23rd February, 1962 by Ram Gopal Jain polling agent of the petitioner before the Presiding Officer of Mithai polling station, alleging that the voters were being brought to booth No. 60 by means of trucks Nos. UPR 6419 and UPR 6526. He prayed that the practice be declared as unconstitutional. Ex. 17-A is the original note made by the Presiding Officer on the said application. It reads as follows:—

*"District Election Officer, Aligarh.*

The above two agents S/Sri Ramgopal Jain and Chokhey Lal of Shri Nardeo candidate of M.P. and Sri Gajadhar Singh candidate of Assembly pointed out that some trucks mentioned above are being used for unfair means for bringing electors from some villages. When they requested me to see the trucks, I saw a green coloured truck, which was unloading the electors, but it was at a distance of above more than a furlong and No. of the truck was not available by me from polling centre and it immediately returned to some place. I think if it is out of these two trucks, n/a may kindly be taken. I ordered constable No. 12 Sri Jai Prakash of P.S. Bannadevi of C.P. to instruct these persons. He came back and gave me pick up No. 5235/U.S.Q. and 9419/U.P.R. truck which were bringing electors."

I may add that Exs. 12 and 21 are the certified copies of this application and the order passed thereon by the Presiding Officer. The testimony of Sri Varsheny P.W. 27 corroborated as it is by Exs. 17 and 17-A leaves no room for doubt that on 23rd February, 1962 respondent No. 1's voters were brought to Mithai polling station in trucks. I may add that the particulars of vehicles are mentioned in Schedule 3 attached to the petition. Therein it is clearly alleged that the scheme contained in the secret bulletin (Ex. 22) was given effect to by the workers of respondent No. 1, who early in the morning on the date of poll, utilized the conveyances and took the voters to polling booths in trucks Nos. UPR 6526 and UPR 6419 and car Nos. IPB 886 and UPB 1535 at polling stations, Katelia, Bareh-seni College, Saraswati Vidyalai, Mithia, Bisana and others.

The respondent No. 1 and his witnesses have nothing substantial to say against Exs. 11, 20, 17 and 17-A. His learned counsel, however, contends that Sri H. S. Sharma P.W. 6 and Sri Varsheny P.W. 27 have come forward to depose in favour of the petitioner because they and the petitioner belong to Arya Samaj. I find no force in this contention. In my opinion, the petitioner has succeeded in proving beyond all reasonable doubt that respondent No. 1 indulged in corrupt practice by bringing his voters in hired vehicles to the polling booths on the date of polling. Accordingly, I decide this issue in petitioner's favour and against respondent No. 1.

*Issue No. 7.*—Sri Malkhan Singh was not a contesting candidate. He died soon after filing his nomination papers. Consequently, the provisions of Section 56 of the R.P. Act are not attracted. The issue is decided accordingly.

*Issue No. 8.*—This issue has not been pressed by the petitioner. Consequently it is decided against him.

*Issue No. 9.*—There is no evidence on the record to show that the respondent No. 1 became a Buddhist in 1956. Even if he embraced Buddhism, he was not disqualified thereby. The issue is decided against the petitioner.

*Issues Nos. 10 and 11.*—These issues were not pressed by the petitioner. They are, therefore, decided against him.

*Issue No. 12.*—In view of my findings on issues Nos. 2 and 6, the petitioner is entitled to get the election of respondent No. 1 declared void, but he is not entitled to the declaration that he himself was duly elected as member of the Lok Sabha from 76-Hathras Parliamentary Constituency.

*Issue No. 13.*—This issue has not been pressed by respondent No. 1. Consequently it is decided against him.

## ORDER

The election of respondent No. 1 from 76-Hathras Parliamentary Constituency is hereby declared as void. The petitioner will get his costs from respondent No. 1. I assess the petitioner's costs at Rs. 700/-.

**S.O. 477.**—In pursuance of section 17 of the Industrial Disputes Act, 1947, (14 of 1947), the Central Government hereby publishes the following award of the industrial Tribunal, Bombay in the industrial dispute between the employers in relation to the Bombay Port Trust and their workmen which was received by the Central Government on the 20th January, 1964.

**BEFORE SHRI M.R. MEHER, INDUSTRIAL TRIBUNAL, BOMBAY.**

**REFERENCE (IT-CC) No. 2 of 1963**

**BETWEEN**

The Bombay Port Trust, Bombay,

**AND**

Their Workmen.

In the matter of whether it is obligatory on the part of the Mobile Crane Drivers, Gr. II, to operate vehicles with draw bar pull exceeding 3½ tons in view of the fact that the Classification and Categorisation Committee has fixed the scale of Rs. 60—3—81—EB—4—105, "for tractors, mobile cranes and fork-lifts of 3½ tons and below".

**APPEARANCES:—**

Shri M.R.S. Captain, Legal Advisor,—for the Port Trust.

Shri S. Maitra,—for the Workmen.

**AWARD.**

This is a reference by the Central Government under Section 10(1)(d) of the Industrial Disputes Act, 1947, for adjudication of a dispute between the employers in relation to the Bombay Port Trust and their workmen over the following demand:

"Whether it is obligatory on the part of the Mobile Crane Drivers, Gr. II, to operate vehicles with draw bar pull exceeding 3½ tons' in view of the fact that the Classification and Categorisation Committee has fixed the scale of Rs. 60—3—81—EB—4—105, "for tractors, mobile cranes and fork-lifts of 3½ tons and below."

The dispute relates to the question whether it is obligatory for Mobile Crane Drivers Grade II to drive all classes of tractors.

2. In the Statement of Claim filed by the B.P.T. General Workers' Union it has referred to the Report of the Classification and Categorisation Committee in which it is stated in paragraph 34:

"The Committee considered the classification into different groups of the operational staff of cranes and other shore plants and has decided to classify them into the following 5 groups and to fit them in the scales shown against each:

**Group I—Scale : Rs. 40—2—60.**

1. Battery Trucks.
2. Platform Trucks.
3. Electric Cars.
4. Fixed Hydraulic Holsts, or Lifts.
5. Fixed Hydraulic Cranes at Madras Port.

**Group II—Scale : Rs. 60—3—81—EB—4—105.**

1. Motor Cars.
2. Ambulances.
3. Lorries.
4. Fire Service Lorries.
5. Road Rollers (Steam and Diesel).
6. Diesel Loco. Tow Car.
7. Fork Lifts, 3½ tons and below.
8. Tractors.
9. Wharf Cranes below 10 tons.

10. Travelling or Gantry or Transporter Crane below 10 tons.
11. Mobile Cranes, 3½ tons and below.
12. Steam Rail Cranes up to and including 5 tons.

Group III—Scale: Rs. 75—3—61—EB—4—125—5—130.

1. Mobile Cranes, above 3½ tons and up to and including 15 tons.
2. Wharf Cranes, 10 tons and above and below 100 tons.
3. Travelling or Gantry or Transporter Crane, 10 tons and above.
4. Breakdown Cranes.
5. Steam Rail Cranes, above 5 tons.
6. Diesel Rail Crane, 12 tons, at Vizagapatam Port.
7. Fork Lifts above 3½ tons.
8. Scotch Derrick Cranes.
9. Coal Loader of Mechanical Coal Loading Plant of Calcutta.

Group IV—Scale: Rs. 100—5—125—6—155.

1. All Cranes of 100 tons and below 200 tons.
2. Mobile Cranes above 15 tons.
3. Floating Cranes.

Group V—Scale: Rs. 155—6—185.

All Cranes of 200 tons and above.

The relevant categories at each Port have accordingly been fixed in the appropriate scales in the respective Schedules."

Under Schedule I at page 44 of the Report there is the following table entry relating to the Bombay Port:—

Sl. No.	Existing Designation	Scale of pay		Nomenclature as altered by the Committee	Remarks
		Existing	As fixed by the Committee		
1	2	3	4	5	6
214	Mobile Crane Driver Grade II (Cranes upto 6 tons, Tractors & Fork Lifts).	Rs. 50—2½— 60—3—81— EB—3—93— 4—105.	Rs. 60—3—81— EB—4—105. (ii) Rs. 75—3— 81—EB—4— 125—5—130.	Nil.	The word 'upto' changed to 'below' with effect from 26-7-60. (1) For Tractors, Mobile Cranes and Fork Lifts of 3½ tons & below. (2) For Fork Lifts above 3½ tons and Mobile Cranes above 3½ tons & upto 15 tons.

3. The present number of Tractors is about 61. The Union thus gives the hauling capacity in draw bar pull of the Tractors and goes on to give some reasons why it considers it not obligatory for Mobile Crane Drivers Grade II to operate vehicles with a load of over 3½ tons where the scale of pay fixed for them is Rs. 60—105.

4. The Union says:

"The Tractors by themselves without any trailers do not haul directly goods, unless they are attached railway wagons, cranes, etc., while hauling any cargo it has to coupled on trailers and the trailer is hauled by the tractor. The tractor has got the capacity of hauling on an average of 18 tons, on hard ground with a draw bar pull of 3,600 lbs. and if the ground is soft the tractor would have the haulage capacity of about 13 tons. It is the submission of this Union that under the recommendation of the Classification and Categorisation Committee, which had not taken the haulage capacity of a tractor had gone simply by the draw bar pull capacity. It is not incumbent on the Mobile Crane Drivers operating the Tractors to undertake load of more than  $3\frac{1}{2}$  tons on the trailers attached to the Tractors. It is the submission of this Union that the recommendation of the Classification and Categorisation Committee for fixing the scale of pay of Mobile Crane Drivers, Grade II required to operate Tractors, Fork Lifts, etc., with  $3\frac{1}{2}$  tons load is very clear. The Committee did not make this recommendation on the draw bar pull capacity of the Tractors. The recommendation of the Committee being on the basis of tons, it clearly indicates the haulage capacity and as such all Mobile Crane Drivers who are required to undertake haulage of only up to  $3\frac{1}{2}$  tons can be given the scale of Rs. 60—105.

It is, therefore, the submission of this Union that it is not obligatory on the part of the Mobile Crane Drivers, Grade II to operate vehicles with a load of more than  $3\frac{1}{2}$  tons and operate when they are fixed on the scale of Rs. 60—105. It is the submission of this Union that none of the Tractors have got any draw bar pull of  $3\frac{1}{2}$  tons.....".

5. The Port Trust in its reply stated as follows: It refers to paragraph 34 of the Report of the Committee in which the groups of cranes and shore plants are classified as follows:

Grade II: 60—3—81—EB—4—105.

Item 7: Fork Lifts,  $3\frac{1}{2}$  tons and below.

Item 8: Tractors.

Item 11: Mobile Cranes,  $3\frac{1}{2}$  tons and below.

Grade III: 75—3—81—EB—4—125—5—130.

Mobile Cranes, above  $3\frac{1}{2}$  tons and up to and including 15 tons.

The Port Trust goes on to say that the particulars given in the table reproduced in the Union's Statement of Claim are incorrect since they appear to be reproduced from the printed copy of the report. The printed copy contains a printing error under Serial No. 214 of Schedule I at page 44 and the Port Trust therefore craves leave to refer to the original report which is with the Government of India. (This original report was called for by this Tribunal from the Government of India and has been inspected by Shri Maitra who appears for the Union). The Port Trust then goes on to reply to the merits of the Union's claim at forth in the Statement of Claim that Mobile Crane Drivers Grade II ought not to be required to operate vehicles with a load exceeding  $3\frac{1}{2}$  tons. It has stated,

"5. With reference to paragraph 9 of the Union's statement, the Employers beg to state that a Tractor, unlike a crane or a fork lift, is rated by its draw-bar pull and not by the weight of the loads it is called upon to move. The actual load a tractor can too depends upon the frictional resistance to be over-come, namely, upon the adhesion between the load and the surface on which it is resting. Thus for instance, although a Tractor is able to move a fully loaded trailer weighing about 18 tons on hard ground, the very same tractor can push three to four railway wagons on rails although weighing in all sixty to eighty tons. Tractors are also employed for shifting wharf cranes. In doing so, a Tractor can easily move a Wharf Crane whose dead weight is about 50 tons, because these cranes run on rails where the frictional resistance is much less than on ordinary ground. It stands to reason that the loads that can be hauled over soft ground would be relatively

lighters. It will, therefore, be seen that there is no relationship between the draw bar pull of the Tractor and the load it is required to move.

6. With further reference to paragraph 9 and with reference to para. 10 of the Union's statement, the Employers beg to point out that the Union has confused the draw-bar pull and the haulage capacity which are two separate factors independent of each other. The Employers state that in fixing the scale of pay for Drivers of Tractors the Committee has classified Tractors neither according to haulage capacity nor according to draw bar pull. The Employers state that the Committee has classified Mobile Cranes and Fork Lifts according to their lifting capacity, but all tractors regardless of the draw-bar pull or the haulage capacity have been uniformly classified under Group 2 of para. 34 for which the scale of Rs. 60—3—81—EB—4—105 has been unconditionally prescribed under item No. 214 of Schedule I of the Committee's Report. The Employers therefore state that there is no substance in the contentions set forth in the said paras. 9 and 10 of the Union's statement which are obviously based on the printing error which appears to have crept into the printed copies of the report, as mentioned in para. 3 above."

In this Reference the terms of which are "whether it is obligatory on the part of the Mobile Crane Drivers, Gr. II, to operate vehicles with draw bar pull exceeding  $3\frac{1}{2}$  tons" in view of the fact that the Classification and Categorisation Committee has fixed the scale of Rs. 60—3—81—EB—4—105 "for tractors, mobile cranes and fork-lifts of  $3\frac{1}{2}$  tons and below", I cannot go behind the Report of the Committee. It is seen from paragraph 34 of the Report of the Committee that the grade recommended for that Tractors are grouped with mobile cranes and fork lifts of  $3\frac{1}{2}$  tons and below and, while mobile cranes above  $3\frac{1}{2}$  tons, fork lifts above  $3\frac{1}{2}$  tons and certain other cranes are put in a higher category. The original item in 214 in the Schedule to the Report reads as follows:—

Sl. No.	Existing Designation	Scale of Pay		Nomenclature as altered by the Committee	Remarks
		Existing	As fixed by the Committee		
1	2	3	4	5	6
		Rs.	Rs.		
214	Mobile Crane Driver Grade II (Cranes upto* 6 tons, Tractors & Fork Lifts).	50—2 $\frac{1}{2}$ —60—3—81—EB—3—93—4—105.	(1) 60—3—81—EB—4—105 (for Tractors, and for Mobile Cranes and Fork Lifts of $3\frac{1}{2}$ tons and below). (2) 75—3—81—EB—4—125—5—130 (for Fork Lifts above $3\frac{1}{2}$ tons, and for Mobile Cranes above $3\frac{1}{2}$ tons and upto 15 tons.)		*The word "upto" changed to "below" w.e.f. 26-7-1960.

When item 214 of the Schedule is read with paragraph 34 of the Report it is evident that according to the original Report the higher grade is fixed only for drivers of mobile cranes and fork lifts above  $3\frac{1}{2}$  tons and for Mobile Cranes above  $3\frac{1}{2}$  and up to 15 tons; while the grade in respect of tractors is Rs. 60—3—81—EB—4—105. There is evidently a misprint in the schedule to printed copy of the Report and the Union relies on the wording "for tractors, mobile cranes and fork lifts of  $3\frac{1}{2}$  tons" and below, Shri Maitra has relied on the Port Trust Rules and Regulations and Ex. U-1 which contains some correspondence which has little

relevance in view of my finding that the Committee has fixed a lower scale for the operators of tractors. The Union has in its Statement of Claim and during the hearing tried to make out a case that on the merits the Mobile Crane Drivers should not be asked to operate tractors with load exceeding  $3\frac{1}{2}$  tons. I have referred in para. 5 to the Port Trust's reply on this point. Neither on the interpretation of the Committee's recommendations nor on the merits has the Union a case which can be accepted. The Union has in its Statement of Claim admitted that the Port Trust has no tractors with draw-bar pull or  $3\frac{1}{2}$  tons or over, and so the case tried to be made out is as regards the load hauled by the trailers to the tractors. I also cannot accede to the argument that because the Port Trust and the Unions concerned agreed to accept as binding the scales fixed by the Committee, it must be taken to have agreed to accept any misprint in Schedule to the printed copy of the Report of the Committee if it differed from the original. It is evident from paragraph 34 of the Report of the committee that no load or capacity restriction has been laid down in the case of operators of tractors as has been done in the case of operators of fork lifts and mobile cranes. Those handling cranes and fork lifts of the capacity of  $3\frac{1}{2}$  tons and below have been placed in the lower scale, and those operating mobile cranes and fork lifts above  $3\frac{1}{2}$  tons have been classified under Group III for the higher scale.

6. In the terms of reference the word used is "vehicles". The Union has in its Statement of Claim only referred to its claim that Mobile Crane Drivers Grade II should not be required to operate tractors with load exceeding  $3\frac{1}{2}$  tons. There is no dispute that they cannot be required to operate mobile cranes and fork-lifts exceeding  $3\frac{1}{2}$  tons. As regards tractors I decide, for the reasons given above, that it is obligatory on this category of workers to drive tractors of draw-bar pull exceeding  $3\frac{1}{2}$  tons, or hauling trailers carrying load exceeding  $3\frac{1}{2}$  tons.

Sri G. S. Nagarkar, for employers

**AWARD**

By Government of India Ministry of Labour and Employment letter No. 51(62)/63-LR IV dated 8th October 1963 the industrial dispute between the employers in relation to the Canara Industrial and Banking Syndicate Ltd., and their workmen at Vijayawada Branch over the transfer of Sri K. Veeranna was referred for adjudication with the following issues framed;

"Whether the transfer of Sri K. Veeranna, a workman of the Canara Industrial and Banking Syndicate Limited from Vijayawada to Punganapalli is justified and if not, to what relief is the workman entitled?"

2. The industrial dispute was registered here at No. 33 of 1963. The parties filed their statements in writing and some documents. They also adduced a few witnesses. I have heard their arguments and proceed to record my opinion below.

3. Generally, the transfer of a workman is within the powers of the employer and if a workman is not transferred for several years there cannot be any complaint about his transfer. That was the burden of the song of the representative of the Bank Sri G. S. Nagarkar. He contended that transfers are within the discretion of the employer. The industrial tribunal is not to substitute its own judgment in this regard for that of the employer. Sri K. Veeranna had been at Vijayawada branch for 12 years. After all these long years he is transferred to a place within the language area and in the interest of the Bank's business and, hence, the transfer must be held to be justified.

4. I inclined to agree with him. But, after consideration of the record and the law in this respect, I am afraid I will have to check my inclination. In the first place, paragraph 536 of the Sastry's award lays down that in general transfers should be reduced to the minimum so far as is consistent with the banking needs and efficiency. In the pronouncements of the Supreme Court also it is said that avoidable transfers should be avoided, and no transfer which is not *bona fide* can be upheld; (National Radio Corporation and their workmen 1963(1) LLJ, 282, and Civil Appeal No. 756 of 1962).

4.1. In the light of the above principles and as held in the Bank of Mysore case, 1960, 1 LLJ, 107, I will have to consider whether the transfer of K. Veeranna from Vijayawada to Banganapalli is made *bona fide* in the interest of the Bank's business. It should be noted that not only in the pleadings but in the deposition of the witnesses the workmen have contended that the transfer was due to victimisation. They put it this way: They allege that there was a scheme of pigmy collections. Under it the Bank clerks and the peons were allowed to collect deposits from intending clients and they were to be paid 2% on the collection as remuneration. After sometime, the Bank, unilaterally reduced the rate of commission from 2% to 1½% and reduced it further by introducing a slab system. The workmen agitated. In the general body meeting held on 27th August 1962, a resolution was passed that, as the rate was reduced unilaterally, the pigmy collections should be stopped from 24th September 1962. Copy of the resolution was given to the employer the very next day on 28th August 1962 and the pigmy collections were stopped from the notified date of 24th September 1962. The stand is that that was done as a legitimate trade union activity. To charge-sheet 5 members of the employees' union including Veeranna for that was not proper and reflected upon the *mala fides* of the employer. Moreover, the charge-sheet Ex. W7 stated that Veeranna stopped collections and did not return the pigmy cards to the employer thereby preventing the bank from meeting its obligation to the depositors and also from making alternative arrangements for pigmy collections. That was not correct. As will be seen from the reply of Veeranna, Ex. W73, the cards that remained with Veeranna were blank cards. They were not signed by the Manager and, therefore, they were of no value. The cards for which collections were made had already been returned and deposited with the bank, and, therefore, there was nothing to prevent the bank from making alternative arrangement for pigmy collections or meeting its obligation towards the depositors. The fact that only blank cards were left with Veeranna was admitted by MW1 at two places in his deposition. Hence, to charge-sheet Veeranna as if he did not return the cards signed by the Manager and on which he had collected deposits and withheld depositing them with the Bank was obviously incorrect. As already stated MW1 has admitted that the cards were blank. A similar charge was made for the return of suspense book. In reply Veeranna has shown similarly that suspense book was a kind of pass book of himself. It contained the entries of the collections he has made so that the commission he earned may be calculated. He had strongly maintained and, there is no rebuttal, that, he was never asked to return the suspense book. It appears to me clear that the charge-sheeting of Veeranna in this manner for insufficient reason does indicate animus against him.

4.2. The above inference gets support from Ex. W12 and Ex. W15, both deposed to and proved by WW1. It is clear from these exhibits that Veeranna alone was not transferred in May 1963. Along with him Sri H. N. Rao, the Vice-president of the Employees' Union, was also transferred. Thereupon the General Secretary of the Andhra Pradesh Bank Employees' Federation, Sri A. Sundera Rao, represented to the General Manager, Canara Industrial and Banking Syndicate Ltd., Udipl. that the transfer of office bearers of the Union will handicap the working of the Union. It was pointed out that the Bank Employees' Union is a unitary organisation and for every state some office-bearers are elected with the duty of running the union in that State. The three office-bearers at Vijayawada are cast with the responsibilities of running the 22 unit branches in Andhra Pradesh and a transfer of any

of these office-bearers does cause great inconvenience to the Union. It is the deposition of WW1 that the Managing Director received the representations sympathetically and it was given to understand that the transfers would be cancelled. In fact the General Manager by his letter No. 8646/95/GLN, dated 17th June, 1963, addressed to the conciliation officer, Visakhapatnam, under a copy to the employees' federation and the Manager of the branch at Vijayawada, did cancel the transfer of Vice-president Sri H. N. Rao. It would, therefore, appear that the withholding of the cancellation of the transfer of Veeranna after all that, was due, again to some animus against him.

4.3. The learned representative of the employers Sri G. S. Nagarkar emphasised that Veeranna was not the joint-treasurer at the time when he was transferred that is on 2nd May 1963. It was wrong on the part of the employees' union to elect him as joint-treasurer after the transfer so as to try to agitate against the transfer. He also stressed that under the Sastry award also transfer of joint-treasurers are not considered. It appears, however, from Ex. W15 that at the annual conference of the Union held at Bangalore on 1st and 2nd June 1963 it was decided that the Andhra Unit of the Union should function with its office at Vijayawada. In that decision the difficulty faced by the Union in its functioning by having the joint-treasurer from the Guntur office last year was taken into consideration and, accordingly, decided to have the joint-treasurer from Vijayawada office. It is stated in this letter as follows:

"while doing so your sympathetic discretion shown when Mr. Rao approached you at Bombay with the prayer to cancel the intended transfer of Sri Veeranna to Banganapalli was also taken into consideration with confidence that you would be kind enough to do the needful as prayed for and make available the services of Veeranna to the Union as joint-treasurer from Andhra Union office".

A precedent in this regard has also been mentioned in this Ex. W15: By the Bank's letter No. 1699/1/SEU, dated 10th March 1959, addressed to the joint secretary of the Union at Madras office, it was stated as follows:

"We have received your letter dated 5th March 1959, making representations for the cancellation of the proposed transfer of Sri S. V. Ramanathan to Vellore. You have mentioned among other things that Sri Ramanathan is the joint-treasurer of the Union and his transfer would greatly hamper the functioning of the Madras office of the Union. We have no desire to restrict union activities and do not have any intention of hampering the functioning of your Madras office. We have issued separately orders for the cancellation of the proposed transfer of Sri S. V. Ramanathan to Vellore as well as of Sri G. A. Kini so that their usefulness to you at Madras may be continued".

No comments are necessary. Evidently, the joint-treasurer was considered as an office-bearer by the Bank and in the previous case his transfer, on the representation of the Union, was cancelled. If in the case of Veeranna a different treatment is meted out it reflects upon the animus of the employer.

4.4. Another fact may also be mentioned. Even before the transfer of Veeranna was decided upon on 2nd May 1963, one Shetty from Madras applied on 2nd April, 1963 that he comes from Banganapalli area and if he can be transferred there even on reduced salary he will go. Later on, he wrote on 12th June 1963 that the reduction in salary was not necessary, as he understood that the Bank was making transfers without reduction. The Bank's reply on 24th July 1963 stated that his request would be considered if he accepts reduction in salary. It appears to me that the Bank very well knew that transfer with reduction of salary was not permitted by the Sastry award, and, therefore, to write to Shetty to accept a reduction in salary tantamounted to denial of his request so that Veeranna's transfer may be effected.

4.5. I am loath to go into merits of the transfer, even though after the Allahabad High Court case of L. H. Sugar Factories & Oil Mill Ltd., v. State of Uttar Pradesh, 1961, 1 LLJ, 686, I can very well examine it on merit. It appears that Banganapalli was a new branch. In the absence of Veeranna on leave, a clerk of less experience and a probationer was posted. This will indicate that Veeranna, who had always acted as a Cashier in the Vijayawada branch was perhaps not required in the new branch at Banganapalli. Moreover, the Bank informed him by letter Ex. M7 that he would lose his 20% allowance as Cashier. It appears that under the Supreme Court decision of Canara Bank Ltd., v. Anant Narayan Farkund, 1963, 11 LLJ, 343, this allowance cannot be taken away, and it was during arguments

alone that the learned representative of the Bank stated that, even at Banganapalli Veeranna will be paid 20% allowance. The question of losing the allowance is not material; if the transfer is valid it is an incidental thing in service: but, the point is that at the time of transfer and even later on he was never told that he would not lose his 20% allowance; even though in fact after the Supreme Court decision the allowance could not be taken away. MW1 in his deposition stated that he did not know the Supreme Court decision at that time; but that, perhaps head office knew.

5. For all the above reasons I am of the opinion that the transfer was not free from animus. I, therefore, hold that the transfer of Sri K. Veeranna was not justified and the relief to which he is entitled is that he should be retained at Vijayawada branch.

6. Report accordingly to the Government this 18th day of January 1964 under my hand and seal of this Court.

### AWARD

The Central Government by the Ministry of Labour and Employment's Order No. 51(47)/62-LRIV dated 16th November 1962, made in exercise of the powers conferred by Clause (d) of Sub-section (1) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) was pleased to refer industrial dispute between the parties above named in respect of the subject matter specified in the following schedule to the said order, to me for adjudication:

### SCHEDULE

Whether the Central Bank of India Ltd., is justified in imposing a condition that only such of its employees will be considered for promotion to the grade of officers E & F as agree to be governed by the Rules of the Bank as applicable to officers in respect of scales of pay and other conditions of service and not by those of the Award relating to the Banking Industry for the time being in force and, if not, to what relief such persons are entitled?"

2. After the reference was made, the Central Bank of India Limited, Bombay, (hereinafter referred to as the 'Bank') filed a written statement dated 5th March, 1963. The Madhya Pradesh Bank Employees Association filed its statement of claim on 10th March 1963. Thereafter the dispute was taken up for hearing and parties took long adjournments to negotiate for a settlement. Finally, after the submissions of the parties were heard, the representatives of the parties appeared before me today 29th January, 1964 and filed the terms of settlement reached between them and prayed that an Award be made in terms thereof. A copy of the terms of settlement is annexed hereto and marked annexure 'A'. As I am satisfied that the terms of settlement are fair and reasonable in the facts and circumstances of the case, I accept the same and make an Award in terms thereof.

No order as to costs.

(Sd.) SALIM M. MERCHANT,  
Presiding Officer.

**BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, AT BOMBAY**

**IN REFERENCE CGIT No. 42 OF 1962**

**BETWEEN**

The Central Bank of India, Ltd., Registered Office, Bombay.

**AND**

Their workmen represented by the Madhya Pradesh Bank Employees' Association, Raipur.

**MAY IT PLEASE THE HONOURABLE TRIBUNAL:**

Both the parties to the Reference have arrived at a settlement of the dispute and pray that the Honourable Tribunal pass an award in terms of the said settlement.

### Memorandum of Settlement

1. The Bank agrees to adjust the emoluments of members of the Clerical staff promoted as the then E. & F. Grade Officers since 1st January 1962.

2. The basic salaries and/or total emoluments of all Officers in 1 above, under the Bank's Circular No. 21 dated 2nd November 1962 shall not fall short at any stage than what they would have drawn under the Desai Award, i.e. total emoluments made up of basic pay, dearness allowance, special allowance of Rs. 65/- for supervisors and house rent allowance, if any.

3. The Bank further agrees that all those officers whose salaries are adjusted as per the above terms shall be paid the difference, in their emoluments with effect from 1st June, 1962 or from the dates of their respective promotions whichever is later, notwithstanding the fact that the new scales have come into force from November 1962. No overtime allowance shall be admissible on the above-mentioned arrears.

4. Shri S. P. Choudhary shall be promoted as from 15th February, 1964.

5. In respect of all other matters not covered under this agreement the said Junior Officers will be governed by the conditions under the Desai Award till such time that they are workmen as defined by Sec. 2(S) of Industrial Disputes Act.

The parties therefore pray that the Honourable Tribunal will be pleased to pass an award in terms of the above settlement.

**APPEARANCES:**

No appearance on either side.

**STATE:** Bihar.

**INDUSTRY:** Mica Mining.

*Dhanbad, dated the 8th January, 1964*

**AWARD**

Ministry of Labour & Employment, Government of India, by its Order No. 20/14/62/LR.II, dated the 6th December, 1962, referred, under Section 10(1) (d) of the Industrial Disputes Act, 1947, an industrial dispute, existing between the employers in relation to the Chrestien Mica Industries, Limited and their workmen, in respect of the matter specified below, for adjudication to this Tribunal:—

**SCHEDULE**

“Whether Sarvashri Toto Chasa and Budhan Barhi had been rightly dismissed from service with effect from the 24th July, 1962 and if not, to what relief are they entitled?”

2. The above reference was received by this Tribunal on 13th December 1962 and although more than one year has lapsed neither the management nor the concerned workmen have filed even their written statements or entered appearance so far.

3. On 7th December 1963 the Tribunal fixed 8th January 1964 for hearing of the case at Dhanbad and issue registered notices to the General Manager, Messrs. Chrestien Mica Industries Ltd., Domchanch, and to the President of the Bihar Abrakh Mazdoor Sabha, P.O. Domchanch, and the said notices all served personally and received by Sri D. Roy on 19th December 1963, on behalf of the Chrestien Mica Industries Limited and by Shri B. J. Modi, Vice President of the Bihar Abrakh Mazdoor Sabha, on behalf of the President of the Union on 19th December 1963. But in spite of personal service of the notices no one has appeared even today although I waited for about two hours till 1 P.M. for both parties.

4. The fact that none of the parties have filed even their written statements show that they are no more interested in the present industrial dispute for reasons best known to them.

5. It appears, however, from the Failure Report dated 16th August, 1962 of the Conciliation Officer (Central), Hazaribagh, that he held conciliation proceedings on 14th August, 1962 at Kodarna in respect of the matter in dispute and before him the Labour Welfare Officer of Messrs. Chrestien Mica Industries Limited, Shri Girdhar Gopal, appeared on behalf of the management and Shri Viswanath Modi, President and Sri Ram Janam Singh, General Secretary, of

Abrahm Mazdoor Sabha, representing the workmen concerned, appeared on behalf of the concerned workmen. But as conciliation failed the failure report was submitted by the Conciliation Officer on 16th August, 1962.

6. From the said failure report of the Conciliation Officer it further appears that there was a strike in the mines including Burhia Nos. 1 and 2 on June 11, 1962 and continued on June 12, 1962 without any notice or demand to the management and these two workmen concerned in the present dispute had taken leading part in the stopping of other workmen from going to work and created disturbances at the mine and at the local factory and, therefore, they were charge sheeted on 19th July, 1962 for misconduct and in their reply on 20th August, 1962 the workmen concerned denied the charge and stated that all the workmen had struck work of their own accord and that they had not incited them to stop work. They further stated that on 12th June, 1962 these two workmen concerned stayed at home and were busy with their domestic affairs and did not come to local factory or incite any workman to resort to strike. The management, thereafter, held an enquiry on 23rd July, 1962 in the presence of both the workmen concerned and in their statements they reiterated their previous statements and stated that on June 11, 1962 and June 12, 1962 they abstained from work, notwithstanding the instructions of the Divisional Manager, Shri Phani Busan, because on those dates the workmen of the mine were on strike. At the enquiry the management also examined three Durwans, all of whom stated that on June 11 and June 12, 1962 the two workmen were stopping other workers of Burhia No. 1 and 2, Mica Mines from coming to work. Two of these durwans were employed in Burhia No. 1 and one in Burhia No. 2 Mica Mines. Mica Mines Burhia No. 1 and No. 2 are in close proximity to each other. These two workmen refused to sign the enquiry papers and a note to that effect was recorded on the enquiry papers. It further appears that at the enquiry these workmen concerned were found guilty of the offence charged and as the management considered the offence of inciting the workmen to go on strike without notice or prior intimation of demands a serious offence, the two workmen were dismissed with effect from 24th July, 1962 following this enquiry. It also appears that the Union President and General Secretary, representing the workmen, stated that as the strike on June 11 and 12 of 1962 was a joint move of the workmen no individual could be blamed for that, and further that the two workmen had not persuaded others to go on strike and as such their dismissal was wrong.

7. As unfortunately, the workmen have not appeared nor on their behalf the Union has appeared and adduced any evidence in order to show that these two workmen were dismissed wrongly on 24th July, 1962, I am constrained, on the strength of the failure report of the Conciliation Officer, to hold that these two workmen were dismissed after charge sheet being served on them and after enquiry had been held into the charge sheets and at that enquiry they had been found guilty and, therefore, there was no infirmity either in the enquiry or in the finding of the enquiry officer mentioned in the Conciliation Officer's report.

8. For the reasons given above, I answer the reference by holding that Sarvasbri Toto Chasa and Budhan Barhi had been rightly dismissed from service with effect from 24th July, 1962, and, therefore, they are not entitled to any relief.

9. This is the award which I make and submit to the Government of India under Section 15 of the Act.

# MINISTRY OF PETROLEUM AND CHEMICALS

New Delhi, the 28th January 1964

**S.O. 502.**—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of petroleum between Barauni Refinery in Bihar State and Kanpur in Uttar Pradesh State, a pipeline should be laid by the Indian Refineries Limited and that for the purpose of laying such a pipeline, it is necessary to acquire the right of user in the land described in the Schedule annexed hereto;

2. Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum Pipeline (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein.

3. Any person interested in the said land may, within 21 days from the date of this notification, object to the laying of the pipelines under the land to the Competent Authority at 7/166, Swarup Nagar, Kanpur in the office of the Indian Refineries Limited. Every person making such an objection shall also state specifically whether he wishes to be heard in person or by a legal practitioner.

[No. 31/50/63-ONG.]

New Delhi, the 31st January 1964

**S.O. 503.**—Whereas by a notification of the Government of India in the Ministry of Petroleum and Chemicals S.O. No. 3433, dated 26th November, 1963, under sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government declared its intention to acquire the right of user in the lands specified in the Schedule appended to that notification for the purpose of laying Pipelines:

And, whereas, the competent authority has, under sub-section (1) of section (8) of the said Act, submitted report to the Government;

And, whereas, the Central Government has, after considering the said report, decided to acquire the right of user in the lands specified in the Schedule appended to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 6 of the said Act, the Central Government hereby declares that the right of user in the lands specified in the Schedule appended to this notification is hereby acquired for laying the pipelines and in exercise of the powers conferred by sub-section (4) of that section, the Central Government directs that the right of user in the said lands shall, instead of vesting in the Central Government, vest on the date of the publication of this declaration in the Oil and Natural Gas Commission free from all encumbrances.

[No. 31/38/63/ONG.]

New Delhi, the 1st February 1964

S.O. 504.—Whereas by a notification of the Government of India in the Ministry of Mines and Fuel S.O. No. 2384, dated 9th August, 1963, under sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government declared its intention to acquire the right of user in the lands specified in the Schedule appended to that notification for the purpose of laying pipelines;

And, whereas, the competent authority has, under sub-section (1) of section 6 of the said Act, submitted report to the Government;

And, whereas, the Central Government has, after considering the said report, decided to acquire the right of user in the lands specified in the Schedule appended to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 6 of the said Act, the Central Government hereby declares that the right of user in the said lands specified in the Schedule appended to this notification is

hereby acquired for laying the pipelines and in exercise of the powers conferred by sub-section (4) of that section, the Central Government directs that the right of user in the said lands, shall, instead of vesting in the Central Government, vest on the date of the publication of this declaration in the Indian Refineries Limited free from all encumbrances.
